ADDENDUM NO. 2
TO
NEUTRAL HOST DISTRIBUTED ANTENNA SYSTEM SERVICES

EISENHOWER NATIONAL AIRPORT

CITY OF WICHITA PROJECT NO. FP640015

(April 15, 2016)

To All Prospective Proposers:

The RFP dated March 2016 are hereby amended in the following particulars only. All other terms and conditions remain unchanged.

ITEM NO. 1: A copy of the pre-proposal attendance sign in sheets is provided.

ITEM NO.2: Revisions have been made to the plans provided with the RFP as well as sheets have been added. Disregard the sheets provided with the RFP and use the drawings attached to this addenda and noted as Addenda #2 in the Revisions block. A future addenda will provide an FTP site for access to these sheets in a CAD format.

ITEM NO. 3: This project is exempt from state and local sales taxes consequently do not include this tax in your proposal.

For all projects that are exempt from sales tax under applicable State of Kansas statutes, the Contractor will be provided, upon request, a sales tax exemption number and certificate. The Contractor must obtain such certificate before purchasing materials or starting work. The Contractor will be required to be in compliance with the provisions of the State of Kansas law and submit the completed sales tax project completion certification prior to close out of the project. It shall be the responsibility of the Contractor to monitor the certificate's expiration date and notify the Owner at least 30 days prior to the need to have the certificate renewed.

ITEM NO. 4: Space is available in the Cargo Building (reference updated Sheet T1.000) for use to store materials and equipment prior to deployment into the project. Some spaces have a small office that is also available for use. Access to the cargo space will require an Airport ID badge. The space will be provide rent and utility free for no more than three months.

ITEM No. 5: The Airport's Job Site Requirements are provided. This document addressed general conditions for the construction/installation work.

ITEM No. 6: The last day to submit questions is Monday, April 25, 2016 at 5:00 p. m. CT.

ITEM No. 7: A proposer may utilize whichever OEM that provided the best technical solution that meets the Airport's needs.

ITEM No. 8: Since 2003 Wichita has been on Phase II of e911 services.

ITEM No. 9: All coverage areas shown in the updated drawings are to be designed to usable voice coverage signal strength.

ITEM No. 10: Provide in your proposal any known potential grant or similar funding sources for this work. Include specifics on the agencies providing such funding, funding program names, information on making contact with the agencies, etc.

This Addendum is hereby made a part of the Request for Proposals to the same extent as though contained in the original documents and all itemized listings thereof.

Each Bidder shall acknowledge receipt of this Addendum.
