

## **PROPOSAL AGREEMENT**

The submitting Contractor hereby proposes to furnish all materials and to do all the work required to complete the project for which the bid entry is given, in the City of Wichita, in a first-class manner and in strict accordance with the Special Provisions provided and the standard City of Wichita Specifications and the plans and drawings of the same on file in the City Engineer's office at the prices entered.

And the Contractor submitting the bid hereby agrees to enter into a contract within ten (10) days from the date of acceptance of this proposal, to finish said work according to plans and specifications on file in the office of the City Engineer, under which the bid was made, and will furnish such sureties for the faithful laborers' wages and liens which may arise therefrom, and the payment of all damages to persons or property, said sureties being issued by a local agent of the surety company, which sureties are subject to the approval of your Honorable Body.

By submittal of this bid the Contractor has examined the referenced plans and specifications for the proposed work and is satisfied by personal examination of the location of the work and understands the nature of the work to be done, and the proposal is based on the conditions and requirements of said plans and specifications and should the contract be awarded to the submitting Contractor, same will execute the work in strict accordance with said plans and specifications and guarantee and maintain the pavement as provided in the same.

The submitting Contractor further agrees that this bid shall be good and may not be withdrawn for a period of thirty (30) calendar days after the scheduled closing time for receiving bids.

The submitting Contractor has met the Bid Bond requirements as indicated, which shall become the property of the City in case this proposal is accepted by the City or its authorized agents, and the submitting Contractor fails or refuses to enter into a contract within the time provided, and to furnish the bonds provided for in the specifications.

The submitting Contractor will provide a list of potential subcontractors for this project with the executed Contract.

The Contractor hereby acknowledges that this bid has been submitted by an authorized agent of the company.
